40 YEAR ANNIVERSARY OF DBHS FOOTBALL

Since the first squad rolled onto the field in 1982, Brahma Football has stood for pride, tradition, and a commitment to excellence. With a legacy of excellence, the Diamond Bar High School Football program challenges students daily to be the best they are capable of becoming. We continually strive to maximize every player's potential leaving them living a life of victory!

ATTEND OUR FOOTBALL GAMES!

Dr. Reuben Jones - DBHS Principal

Welcome to **BRAHMA FOOTBALL**, and thank you for supporting our team and our school!

My name is Reuben Jones and I am honored to be Principal of Diamond Bar High School, and to welcome you to the official beginning of football season!

Our school-wide theme this year is “Raising the Bar,” and we expect to achieve great successes in all aspects of our school including academics, activities, arts, and athletics! Under the leadership of our new Head Football Coach **MATT CASTANEDA**, I believe that our football program is in position to have an outstanding year! Early in the spring of 2022, I observed Coach Castaneda and his coaching staff’s use the “off-season” to instill discipline, sportsmanship, integrity, and a winning attitude through strength conditioning and 7-on-7 competitions. I am confident that the work our team has invested will pay off “under lights” on Friday nights!

As we continue in the Hacienda League with Nogales High School, Ontario High School, and Walnut High School, we feel good about our league’s competitive level, and the opportunity to compete in the post-season playoffs! At Diamond Bar High School, we embrace challenges and we get stronger through adversity. Our school has hard-working student-athletes, excellent coaching, involved and supportive parents, and tremendous pride in being Brahmans!

Join me as we “Raise the Bar” together
and make 2022 – 2023 a great year!

GO BRAHMAS!

Dr. Reuben Jones
DBHS Principal

Mrs. Elizabeth Chang - Asst. Principal

Welcome to the Walt Holmes Stadium, the home of the Brahmans! My name is Elizabeth Chang and I proudly serve Diamond Bar High School as the Assistant Principal by sustaining our purple pride and gold standards.

The purple pride begins with the roar of our Bull Pen, cheers from the sidelines, and the triumphant sounds from our Thundering Herd that connects our community to bring our football program alive. Under the leadership of our Head Football Coach Matt Castaneda and his coaching staff, our student-athletes have demonstrated their dedication through hard work to represent the balance of what it means to be scholastic and dynamic in skills. I can't wait to watch our season grow and keep the Brahma spirit alive!

Finally, our gold standard in supporting the athletics program is to ensure a safe and enjoyable stadium experience through the supervision of our GLCs, partnership with Walnut Sheriff's Department, local emergency agencies, maintenance and operations staff, USB student leadership, and Diamond Bar High School staff. Together we are raising the bar!

Let's go Brahmans!

Mrs. Elizabeth Chang
DBHS Assistant Principal

KURT DAVIES, ALEXIS FEIX, MATT CASTANEDA

A MESSAGE FROM OUR ATHLETIC DIRECTORS:

On behalf of the entire Brahma Nation, it is our honor to welcome you to the 2022 Football Season. This season we welcome Coach Castaneda, Jazmin and Leia to the family! Witnessing spring and summer practices first hand, we believe our student-athletes are more than ready for the challenge this year's competition will bring.

A wise man once said that the greatest value for your entertainment dollar is a high school athletic competition. Perhaps that man attended a Diamond Bar football game complete with the Thundering Herd, Color Guard, Pep Squad and The Bullpen!

We are honored to be a small part of one of the most successful athletic programs in the southern section over the last 40 years, and can't wait to see what the future holds.

Alexis Feix and Kurt Davies

A MESSAGE FROM OUR FOOTBALL COACH:

This is my first season coaching at and first school year teaching at Diamond Bar High School. Before being at DBHS, I was the Varsity Offensive Coordinator at several schools in the West San Gabriel Valley area. After that, I became the Varsity Offensive Coordinator and JV Head Coach at Rosemead High School. Then I departed for Glendale College to be their Quarterback Coach and Offense Coordinator. This is currently my 6th year as Head Coach and 14th year coaching high school football.

Other than coaching for the Diamond Bar High Football team, I teach science and the Pathways Communication Academy on campus. Coming to DBHS was a family decision that included my wife and daughter, and I instantly knew I wanted to work with the amazing team at DBHS when I met with Administration and the Athletic Directors.

I played quarterback my whole life, from Pop Warner to High School at both Bishop Amat and Los Altos High School. My last two seasons of high school football were at Los Altos, where I was all CIF, all SGV, all Hacienda League Offensive Player of the Year, amongst other accolades. I went on to play quarterback at Whittier College during my freshman year, but a career-ending injury in the beginning of my sophomore year during a game with Chapman University sidelined me for the season. After that, I immediately started coaching and from then on, I knew that it was something I wanted to do as a career.

Matt Castaneda

VITA stands for "Life" in Italian, which is what our restaurant values the most. We source most of our ingredients from Cal Poly Pomona farms as well as other local farms because we believe in supporting small businesses and reducing our carbon footprint.

VITA is a place where people from all over the world, from all backgrounds and colors, can gather together and share their love for unforgettable experiences, modern yet classic ambiance, and simply good food.

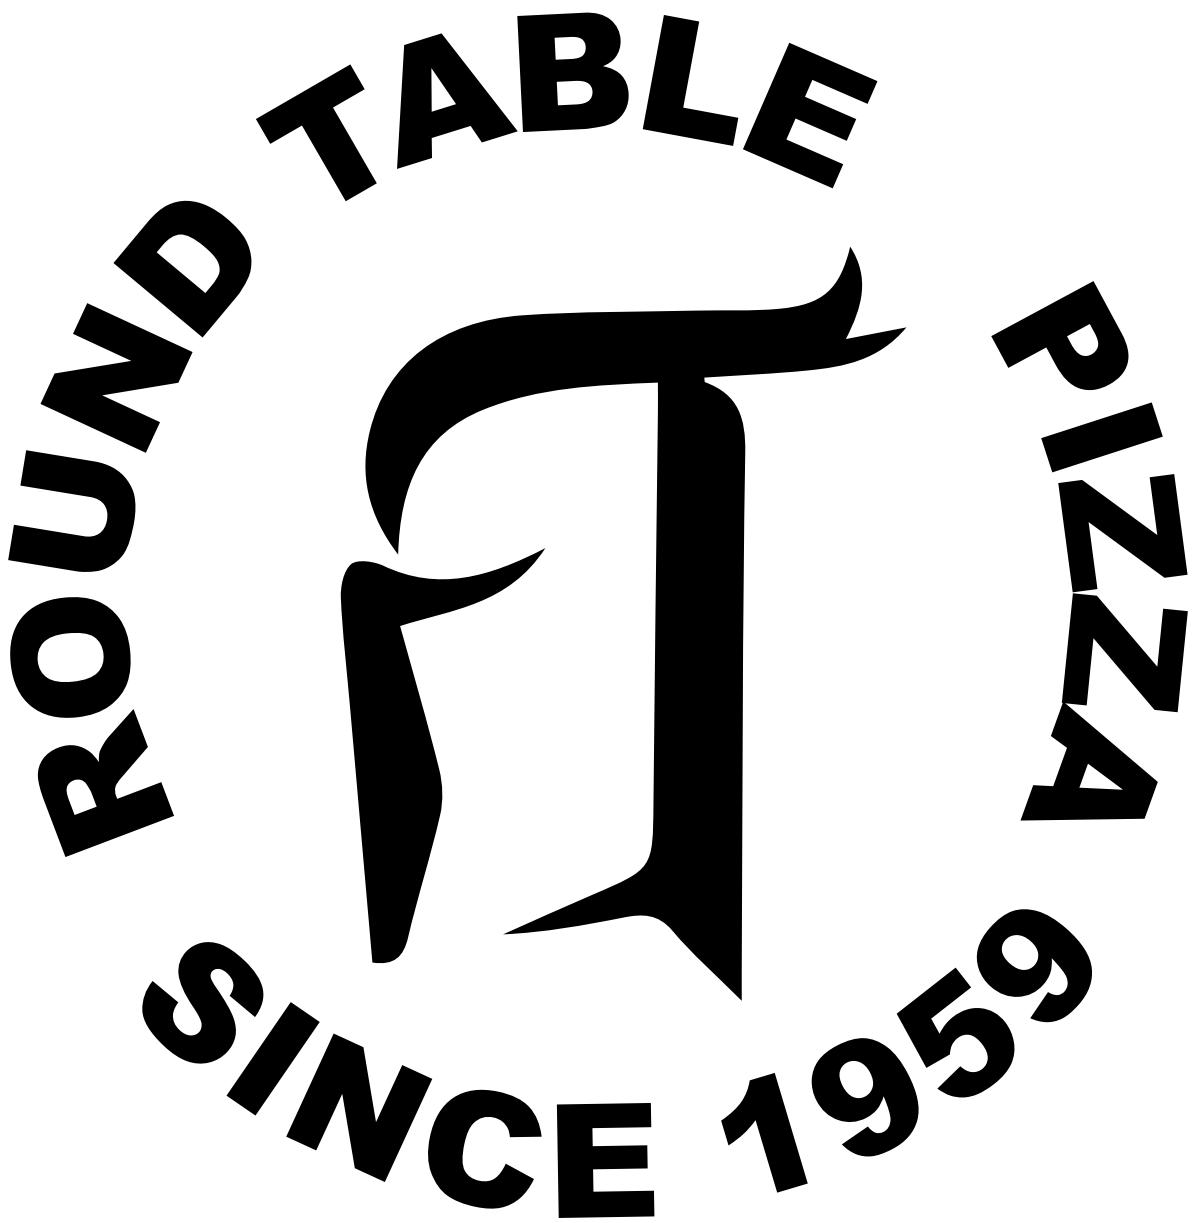

The lines that surround the VITA logo represent freshly made spaghetti, which signifies the authenticity of our Italian food. The circle shape of the logo represents life (VITA) and our desire to be inclusive and welcoming to all things that this world has to offer.

Spyder3D® combines learning and exploration in business, manufacturing, and design to equip students with the necessary skills and experience to find fulfilling careers straight out of high school. With our partners, we're inspiring a new generation of future workforce leaders only limited by their imagination.
